

OCA Long Term Membership Form

The Oldsmobile Club of America (OCA) is continuing the ongoing process of expanding the membership database to include the date members joined the OCA. To accomplish this, we need your assistance. The Long-Term Membership Committee has gathered some information, but it is incomplete. We are asking all members, if you have not already done so, to complete the form below and mail a copy to the address listed as soon as possible. The information submitted and gathered will be used to validate a member's date of continuous and uninterrupted membership in the OCA for Long-Term membership recognition. Be sure to include supporting documentation with this form to validate the year you joined. This form will be published *p e r i o d i c a l l y* in the JWO.
